SECTION 4: PARENTAL AGREEMENT

The home and school are two of the most significant influences in the lives of our young people. It is important that students entering and parents preparing to enroll their children in QACS understand and agree with the purpose and standards of the school.

The MISSION of QACS is to be an extension of the home and church, and is established to train each student in the knowledge of God and the Scriptural way of life. By providing the highest standards for intellectual and spiritual learning, our goal is to equip each child with the necessary tools to effectively pursue the vocation to which the Lord will lead.

Understanding the purpose or mission of QACS, we believe the Word of God provides insights for daily living. Our lives will be enriched, by applying these truths in a consistent manner. In keeping with these beliefs, it is to be understood that QACS has the following goals for its students:

1. Actively work at building and nourishing a personal relationship with Jesus Christ.

7. Be honest and above reproach (Prov. 8:7).
 - ◆ Always speak the truth and avoid even the appearance of dishonesty.
 - ◆ Refrain from stealing, lying, cheating and gambling.
8. Care for your body as the "temple of God" (1 Cor. 6:19).
 - ◆ Refrain from the possession/use of alcohol, tobacco, illegal drugs, abusing prescription drugs, or any other harmful substance or activities.

 - ◆ Save sex for what and when God intended, within the sanctity of marriage.
10. Demonstrate self-control (James 1:9).
 - ◆ Be quick to learn, slow to speak, slow to become angry.
 - ◆ When you sin, seek forgiveness and make amends.

We hereby acknowledge that we have read the above standards of conduct, and also acknowledge that we have read **the Student Handbook**. We understand that this is *an interdenominational* Christian school and as such the specific doctrinal positions of various beliefs will be presented, but no one with greater emphasis than another. Specific doctrinal issues, when in question, will be referred to the child(ren's) parents and/or clergy. We will seek to nurture and hold our child accountable to these school, Biblical and community standards. We have read the **Statement of Faith** adopted by the school and although it may not be our specific belief model, we feel it represents the basic truths common to most all born-again Christian denominations. We understand that the statements contained in the handbook are guidelines only, and that the Handbook does not constitute a contract between QACSA and its students, or the parents of its students. I also understand that QACS specifically retains the discretion to amend, discontinue, or vary the policies or procedures contained in the Student Handbook/Curriculum Guide.
