- The minimum tuition per family is \$2400 or \$200 per month regardless of income.
- The tuition paid for the family will follow the maximum income guidelines.

A late fee of \$20 will be added for tuition payments not received by the 15th of the month.

You may earn tuition discounts of 2% per hour up to a maximum of 10% per month. These volunteer work hours may consist of meeting the minimum sales in school fundraisers, helping to organize school events, attending PTF meetings, working on committees, etc... You are responsible for turning in the form to receive discount.

Those families who are on the scholarship program will be expected to contribute volunteer hours without the tuition discount, based upon the amount of scholarship they are given. Those families paying the minimum must work 45 hours per year and for those paying above minimum a graduated scale will be determines for each family at time of registration. Failure to fulfill these work hours may result in the loss of being eligible for the scholarship plan in the next school year.

Don't forget you can earn additional discounts for each new family enrolled using the Refer-A-Friend program.
